Own It!!!®

Steve and Kate were not happy renting an apartment they didn't really like for \$1000 a month. They dreamed of owning their own place but knew that their cash incomes and savings for a down payment were obstacles in securing the best mortgage financing. Two years after meeting Charlie Russ, Founder of Relationships Unlimited, Steve and Kate have over \$50,000 in equity in their Roscoe Village Condominium which they purchased after just one year by taking advantage of the **savings match program**.
